No. 1357

Office of the Deputy Commissioner,
Bangalore District.

Dated, Bangalore, the 8th June 1916.

From

K.Chandy, Esquire, B.A.,
Deputy Commissioner,
Bangalore District

To

D.M.Narasinga Rao, Esquire, B.A.B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department,
Bangalore.

Sir,

I have the honour to bring to the kind notice of Govern-ment that both the Presidents of Municipalities of the Bangalore City and Civil & Military Station were requested in my letter No.1147-8 dated 12-4-1916 inviting their reference to Government Proceedings No.877C-816/ L.B.78-08-16 dated 21-5-1912 to order the exemption from levy of tolls on fuel carts which pass to the Sandalwood Oil Distillery near the Sankey's Reservoir. Under Para 3 of the said Proceedings, the President of the Civil & Military Station, Bangalore, was pleased to accede to my request in his letter No.1007 dated 19th instant, whereas the President of the City Municipal Council states in his letter No 3664 dated 12th idem, that the exemption is not admissible on the ground that " the Munici-pal Bye-laws in force lay down that vehicles and animals , the property of Government, are alone exempt from payment of tolls and that the above rule implies that, irrespective of whether it is Government Property or private property that is conveyed in the carts, if the vehicles are not owned by Govern-ment, toll is leviable. Such toll is recovered only on the vehicles and animals and not on the property loaded therein.

If

17

If the cart drivers receive hire from Government & ply their vehicles within the city limits, the Municipality cannot obviously forego its claim for toll leviable on the carts".

2. The objection of the City Municipal President is untenable as the Government cannot be expected to own such a large number of carts as would be sufficient to ensue a steady supply in this particular case, and the payment has to be made by Government. Besides, Government property is carried in the carts and the carting contractor is to get conveyance charges only as per agreements entered into and the toll is thus being paid by the Forest Department now. I request therefore that needful instructions may be kindly conveyed to the City President to waive the claim as laid down in Para 3 of the said Proceedings and to refund the toll charges recovered till now.

I have the honour to be,

Sir,

Your most obedient servant,

for Deputy Commissioner,
Bangalore District.

Sir,

In forwarding herewith copies of the marginally noted communications in re the levy of tolls on carts conveying fuel to the Sandalwood Oil Distillery near the Sankey's Reservoir, I have the honour to state that the fuel belongs to Government and as such as per Rule 5 of the Late Chief Commissioner's Notification No 274 dated 4th November 1876 as amended by Government Order No 8776-816/L R 78-08-16 dated 21st May 1912, the carts conveying it are exempt from tolls provided

provided the produce is covered by a Pass-port issued by a duly authorized Officer The argument put forward by the Hon'ry President, Bangalore City Municipal Council, viz- that the vehicals and animals owned by Government are alone exempt from payment of tolls does not therefore appear to be feasible. The views expressed by the Deputy Commissioner in this behalf have my full concurrence and I request that orders of Government may be kindly obtained exempting the above carts from payment of tolls and communicated to me at an early date.

In continuation of my letter No 3046 dated the 18th April 1916 in reply to your No 1148 dated 13-4-16, in the matter of exempting from payment of toll the carts conveying fuel to the Sandalwood Distillery near the Sankey's Reservoir, I have the honour to state that the Municipal Bye-Laws in force lay down that vehicles and animals, property of Government, are alone exempt from payment of tolls. The above rule implies that - irrespective of whether it is Government property or private property that is conveyed in the carts, if the vehicles are not owned by Government, toll is leviable. Such toll is - recovered only on the vehicles and animals and not on the - property loaded therein.

2. If the cart drivers receive hire from Government and ply their vehicles within the City limits, the Municipality cannot obviously forego its claim for toll leviable on the - carts

In continuation of my letter No 595 dated 12-4-1916 in re. the levy of toll on fuel carts intended for the Sandalwood Oil Distillery near the Sankey's Reservoir, I have the honour to forward herewith a copy of letter No. 3664 dated - the 12th current, received from the Honorary President, - Municipal Council, Bangalore City, in the matter. The toll is now being paid by the Department and not by the carting - contractor, as surmised by the President. If as considered by the Honorary President the toll is only not leviable where the carts or animals are owned by Government, the spirit of the exemption will in my opinion become null and void. I - think it is to meet only such cases as under question, the exemption has been made and if you are agreeable to my views, needful steps may be kindly taken to have suitable ord-rs - passed A copy of letter No 1007 dated 19-5-1916, from the President, Municipal Commission, Civil & Military Station, Bangalore in this connection is enclosed.
